

## CHAPERONE ASSISTANT RECOMMENDATION

Alaska String Camps, Inc. is offering mature students the opportunity to be chaperone assistants in a camp setting. Where possible, we would like to fill these positions with students who have an interest in pursuing a music or other career working with children. It is our hope that the experience gained will benefit them in their future goals.

Please fill out the following recommendation form for \_\_\_\_\_  
and return directly to:

**Some of the characteristics that we will be looking for are:** ability to relate to younger students in a mature and responsible manner, ability to think ahead and act independently, (i.e. if they see that a student has a need, they act accordingly and take care of the need), and act as role models for younger students. Prior chaperone, music or camping experience is helpful, but not required.

These assistants will be responsible for younger students so your impressions and observations about this student are very important to us. We need these returned by May 30. **We appreciate and thank you for your time.**
